PREMIER SHUKUROGLOU COMPANY SHORT INTRO

- Products for Agriculture, Animal Farming, Pets and Gardening
- Crop Protection and fertilizers
- Animal Health & Nutrition
- Gardening products, potting soils

…PRESENT IN

- CYPRUS
- GREECE
- MIDDLE EAST

STARTED COMPOSTING IN 2011

- THE FIRST COMPOST APPLICATION WAS A BIG SURPRISE!

APPLICATION BY A POTATO GROWER IN XYLOPHAGOU
(POTATOES REGION)

WHY THIS SPECTACULAR RESULT?

BECAUSE:

1. SOIL WAS POOR IN ORGANIC MATTER (1% vs 3-4% in The Netherlands)

2. SOIL WAS POOR IN MICRO-ORGANISMS

WHY THIS SPECTACULAR RESULT?

3. COMPOST ENABLED PLANTS TO ABSORB THE ALREADY EXISTING NPK IN THE SOIL FROM THE PREVIOUS SEASON!

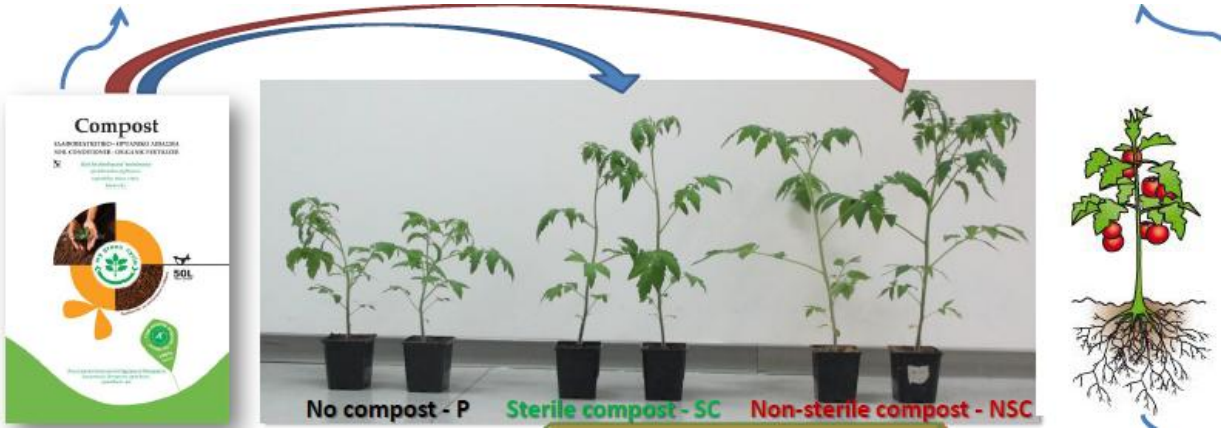
4. COMPOST STREGTHENED PLANT'S NATURAL DEFENSE AGAINST PESTS & DESEASES

A STUDY OF CYPRUS UNIV. OF TECHNOLOGY (ΤΕΠΑΚ) OF 2014, ON THE EFFECT OF COMPOST ON TOMATO PLANTS

(a) Evaluate the ability of a compost to improve plant growth of tomato plants,

(b) Assess the suppressive effects of the compost against *Fusarium oxysporum* f. sp. *lycopersici* and *Verticillium dahliae* on tomato plants and

(c) Investigate the role of the microorganisms of the rhizosphere.



THE STORY OF CYPRUS SOIL

CYPRUS IS IN THE PROCESS OF DESERTIFICATION….

- according to a report of the Dep. of Environment of 2008
- THE QUALITY OF SOIL IS QUICKLY DEGRADING!

THERE IS AN ACTION PLAN BY THE MIN.OF AG!

The CYPRUS Common Agricultural Policy (CAP) Strategic Plan 2023-27 provides for:

€1200/Ha support for applying compost!

BUT THERE IS VERY LITTLE COMPOST AVAILABLE!

BUT WHAT IS COMPOST AFTER ALL?

- SPECS ARE NEEDED! Without specs, even shredded clippings can go as Compost!
- STILL WAITING FOR THE NEW “Law on Fertilizers” be voted by Parliament!
- The bill is there since July 2024!

BUT WHAT IS COMPOST?

- SPECS ARE NEEDED! Without specs, even shredded clippings go for subsidy instead!
- STILL WAITING FOR THE NEW “Law on Fertilizers” to be voted by Parliament.
- The bill is sitting there since July 2024!

THIS IS WHY CYPRUS NEEDS ….

A NATIONAL ACTION PLAN FOR THE PROMOTION OF (REAL) COMPOST APPLICATION
